

Cancellation Policy

Welcome to Bush Handyman Home Repair Service! This policy will lay out simple rules and regulations for clients who need to cancel their service. We understand that life happens and to ensure a smooth cancellation process please follow the rules that apply.

Cancellation notice:

We understand that life can happen and sometimes that permits a client to cancel a service; however, we ask that you cancel within **a 48-hour time frame** so that we can fill that appointment slot. If you wish to move your appointment instead of cancel, please do so before the 48-hour period is up.

You may contact us by:

- a. Phone: n/a
- b. Email: thecontractor146@gmail.com

Cancellation fee:

- a. Please ensure that you cancel your appointment within **48 hours (2 days) before** the time of your scheduled service. **50%** of your service **MUST** be paid if you fail to abide by the appropriate cancellation protocols. This also includes avoidance of canceling altogether.
- b. If you wish to reschedule an appointment, please do so 48 hours before your scheduled service. Failure to do so within the respective 48-hour time frame will result in a fee of **30 dollars** charged to you before the start of your next service.

It is the primary responsibility of the client to make sure this policy is read, received, and followed to ensure a smooth service and experience. A payment in debt to you **MUST** be paid at the time of rescheduling or canceling.

Thank you for your service with Bush Handyman Home Repair Services!
